Jack Sealey Ltd agrees to provide you with a replacement product. This replacement will be charged to your account. We will collect the faulty item from you and inspect it. If the unit is found to have a genuine fault the charged replacement will be credited back to you. If we are unable to find a fault or find the product has been abused, misused, accident damaged or is outside its warranty period, it will be returned to you. Please confirm you agree to this?

Special Instructions:

***Brand new and customer claims it is leaking like mad. Dealer understand 3* basis and happy to go through with this.
