1. SAFETY

- ☐ **WARNING!** Ensure that Health and Safety, local authority and general workshop practice regulations are adhered to when using this product.
- ✗ **DO NOT** use this product if it is damaged.
- ✓ Maintain tools in good and clean condition for best and safest performance.
- ✓ Wear approved eye protection. A full range of personal safety equipment is available from your Sealey stockist.
- ✓ Wear suitable clothing to avoid snagging. Do not wear loose jewellery and tie back long hair.
- ✗ **DO NOT** operate punch if you are tired or under the influence of alcohol, drugs or intoxicating medication.

2. INTRODUCTION

Ideal for setting 10mm (inner diameter) metal eyelets and grommets into a wide variety of materials. Perfect for repairing or customising canvas, tarpaulins, tents, awnings, sails, leather goods, and clothing. Heavy-duty steel punch and die tools ensure clean, precise, and consistent grommet setting every time. Includes a hole cutter to pierce the material, a solid mandrel/anvil base, and a setting tool. Supplied with a starter pack of 10mm metal grommets and washers so you can begin working immediately.

3. CONTENTS

4. OPERATION

- 4.1. Use 10mm hole cutter to punch hole in material which is to have eyelet.
- 4.2. Use the tool this way up.
- 4.3. Place eyelet onto 'lower' portion.

- 4.4. Place material 'face down' over the eyelet.
- 4.5. Place washer on top and squeeze jaws together to secure eyelet.

4.6. Underside of finished eyelet.

4.7. Top of finished eyelet.

ENVIRONMENT PROTECTION

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.

Note: It is our policy to continually improve products and as such we reserve the right to alter data, specifications and component parts without prior notice.

Important: No Liability is accepted for incorrect use of this product.

Warranty: Guarantee is 12 months from purchase date, proof of which is required for any claim.
