1. SAFETY

- ❑ **WARNING!** Ensure Health & Safety, local authority, and general workshop practice regulations are adhered to when using workbenches and associated workbench drawers.
 - ❑ **WARNING!** Use the workbench on level and solid ground, preferably concrete. Avoid tarmacadam since the workbench may sink into the surface.
 - ✓ Locate the workstation in a suitable working area.
 - ✓ Keep the work area clean, uncluttered and ensure there is adequate lighting.
 - ✓ Keep the workstation clean and tidy in accordance with good workshop practice.
 - ✓ Keep children and unauthorised persons away from the working area.
 - ✓ Take care when assembling sharp edges.
 - ✗ **DO NOT** remove a fully loaded drawer.
 - ✗ **DO NOT** use the workstation drawer for any purpose other than that for which it is designed.
 - ✗ **DO NOT** use the workstation out of doors.
 - ✗ **DO NOT** get the workstation drawers wet or use in damp or wet locations or areas where there is condensation.
 - ✗ **DO NOT** clean the workstation drawers with any solvents which may damage the painted surfaces.
- NOTE:** The assembly of this product may require two people.

2. INTRODUCTION

Industrial single drawer workstation, ideal for site workers or line managers and supervisors. Workstation features a 5° sloped surface allowing a better angle to write on, with a raised lip on the lower edge to prevent items sliding off. A lockable ball bearing slide drawer is ideal for keeping valuables, stationary or paperwork safe. Three pigeon holes are suitable for keeping paperwork or manuals on hand and in order, or as in and out trays. Adjustable feet ensure the unit sits level, even if your floor is not. Lower shelf allows for items such as workwear to be stored and on hand. Supplied with two keys. Some simple assembly required.

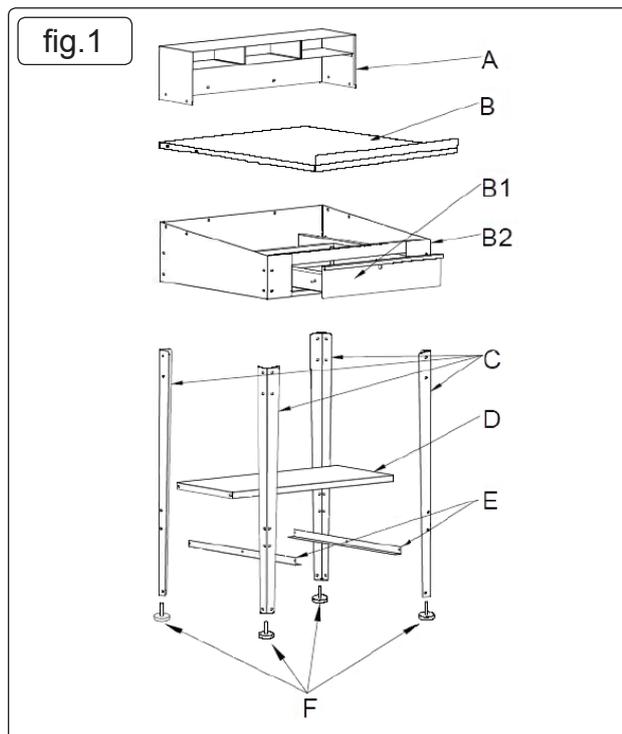

3. SPECIFICATION

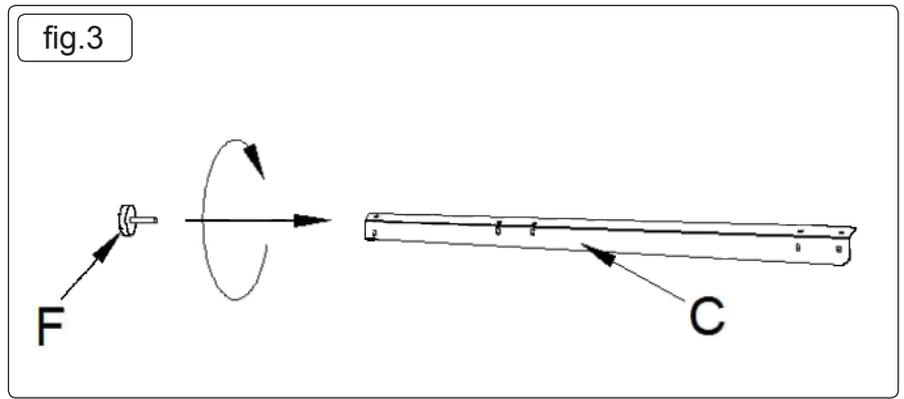

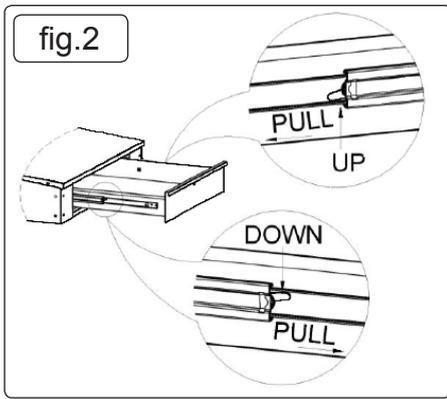

Model No: **AP875**
Overall Size (W x D x H): 875 x 755 x 1350mm
Drawer (W x D x H): 585 x 685 x 115mm
Pigeon Hole (x3) (W x D x H): ... 290 x 215 x 80mm
Shelf (W x D): 870 x 380mm
Nett Weight: 33.62kg

ENVIRONMENT PROTECTION

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.

Note: It is our policy to continually improve products and as such we reserve the right to alter data, specifications and component parts without prior notice.

Important: No Liability is accepted for incorrect use of this product.

Warranty: Guarantee is 12 months from purchase date, proof of which is required for any claim.
