4. ASSEMBLY

- 4.1 Remove trolley from the box and unlock the trolley with the keys attached. Open the main storage area and remove all parts, check contents against contents list, if any parts are missing contact you local Sealey dealer immediately. Close the top storage area and lock the trolley before assembly.

- 4.2 Take the base tray and turn it upside down then take two swivel wheels (F) and two swivel, locking wheels (G) and attach them using the wheel bolts nuts and lock washers, as shown in Fig.1.

- 4.3 Flip the base tray onto the wheels and attach the four uprights (B) ensure that they are the correct way up with the longest distance between holes at the bottom (see Fig.2A). Secure the uprights with a bolt nut and lock washer.(Fig.3)

NOTE! If the uprights are attached upside down the main storage compartment will not fit.

- 4.4 Fix the side supports to either end of the frame (Fig.2B) the lipped edge should be horizontal as this will take some of the weight of the main storage compartment.

IMPORTANT - this is a heavy product and assistance is required for this next step.

- 4.5 With assistance lift the main storage compartment into the frame resting it on the side supports. Ensure you decide which side you want the drawers to open and attach the handle in the next step according to this.

- 4.6 Secure the main storage compartment to the four uprights using bolts, nuts and lock washers. Also attach the handle to same side of the trolley as the locking wheels using the two long bolts and secure it through the lower of the two holes on the uprights.
