## Specification

- Colour of Product: **DH306 Silver** **DH307 Glass/ Black**
- Glass Thickness: 6mm
- Material: Aluminium Profile with Chrome/ Aluminium Profile with Chrome Finish
- Nett Weight: 23kg
- Product Dimensions (W x D x H): 800 x 6 x 1850mm
- Type: Hinge Shower Door

## Safety

- **HANDLE GLASS WITH CARE.** Tempered glass is strong but can shatter if mishandled. Never set it directly on hard surfaces or strike the edges with tools.
- **INSPECT BEFORE INSTALLATION.** Check all parts for damage before starting. Damaged glass or components can pose serious risks.
- Use Proper Tools and Gear Always wear safety glasses when drilling or cutting. Use a spirit level, silicone gun, rubber mallet, and appropriate drill bits.
- **AVOID RUSHING THE SEALANT.** Allow silicone sealant to cure for at least 24–48 hours before using the shower to prevent leaks and ensure stability.
- **TWO-PERSON JOB.** Pivot doors are heavy and awkward to manoeuvre alone. Enlist help to avoid injury and ensure proper alignment.

## Mistakes to Avoid

- **INCORRECT TRAY LEVELLING:** If the shower tray isn't perfectly level, the door may not close properly or seal correctly.
- **SKIPPING WALL CHECKS** Ensure walls are plumb and free of loose tiles or cracks. Uneven surfaces can compromise the door's function.
- **DO NOT** apply silicone inside the enclosure. Only seal external joints to prevent mould and mildew build-up.
- To preserve surfaces and ensure safety, avoid harsh or abrasive cleaners. Opt instead for gentle soap and water, which clean effectively without damaging finishes.

## Assembly

### Step 1

## Step 2

## Step 3

## Step 4

## Step 5

## Step 6

6.1

Adjust the screws of the heaven and earth rotation (PIVOT), move the glass to the left and right to adjust the magnetic strip and the magnetic stripe aluminum

6.2

6.3

Step 7

## Step 8

Allow 24 hours for silicone to dry before use.  
Silicone on the outside edge only

### Environment Protection and Waste Protection

Recycle unwanted packaging materials. When this product is no longer required, or has reached the end of its useful life, please dispose of it in an environmentally friendly way. Drain any fluids (if applicable) into approved containers, in accordance with local waste regulations. It is our policy to continually improve products and we reserve the right to alter data, specifications and parts without prior notice. No liability is accepted for incorrect use of this product. Guarantee is 12 months from purchase date, proof of which is required for any claim.
