4. ASSEMBLY

- 4.1. Note! All models have a top and bottom tree section with one joint, some larger models have 3 sections and 2 joints.
- 4.1.1. Remove all packaging carefully. You may decide to return the components to the packaging for storage.
- 4.1.2. Splay open the base stand feet (fig.1) and secure to the base section of the tree with the supplied eye bolts (fig.1).
- 4.1.3. Carefully insert the largest bottom branch section into the base pole. Continue inserting branch sections in descending size order, leaving the shortest branches for the top (fig.2). Insert the plug into cable sockets and pole connections as you go.
- 4.1.4. As you assemble your tree, the branches will fall into place (fig.3). Take care not to place unnecessary pressure on the brackets.
- 4.1.5. The branches on your tree can be adjusted to give you the desired fullness. For best results, straighten and separate all branch tips, then bend them slightly upward as in fig.4.
- 4.1.6. Plug the 230V adaptor into the mains supply and switch on. Switch off when unattended.
- 4.1.7. Disassemble in reverse order after use and store (packaged) in a cool dry environment.

Environmental Protection

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain off any fluids (if applicable) into approved containers and dispose of the product and the fluids according to local regulations.

WEEE Regulations

Dispose of this product at the end of its working life in compliance with the EU Directive on Waste Electrical and Electronic Equipment (WEEE). When the product is no longer required, it must be disposed of in an environmentally protective way. Contact your local solid waste authority for recycling information.

NOTE: It is our policy to continually improve products and as such we reserve the right to alter data, specifications and component parts without prior notice.

IMPORTANT: No liability is accepted for incorrect use of this product.

WARRANTY: Guarantee is 12 months from purchase date, proof of which will be required for any claim.
